To whom it may concern,

I am writing this letter of reference for Brenda Morie, Musikgarten and private lesson teacher at the UNCSA Community Music School. Ms. Morie's weekly teaching load currently includes 4 Musikgarten classes, and half a dozen private guitar/ukulele students from age 3 to adult. I have worked with Brenda for over 3 years. She has consistently strived to build lasting positive relationships with parents and students through parent conferences, recitals, and consistent communication outside of class. Her passion for education and dedication to her students have been wonderful assets for our school. In a very crowded music education field, Brenda's classes are a standout. Many times, a parent will offer unsolicited praise of her teaching style or mention that the student loved Ms. Morie's class at the Montessori School (where she also teaches) so much that they decided to join our weekend class. I highly recommend Brenda for positions in the classroom with young children where her infectious exuberance and joy in music making will surely inspire your students and families towards a life-time engagement with music. Please feel free to contact me with any questions.

Sincerely,

Cameron MacManus
